### Note :

- As part of development process, the current family of Non-ISI models is getting converted to the New ISI compliant models.
- Consequently, the older Non-ISI models are being phased out as the new models are being introduced.

# Product Standardization: Grey Color.

- For all new ISI Models in PSS, we have gone ahead with Color standardization also .
- First Model with Grey color Implementation will be PS 40/80 .
- WC accessories color also changed to GREY Color :
  - WC LH, RH and Rear panel.
  - Top panel.
  - WC Liner.
  - Overflow, Drain L bends .

LH & RH PANELS  
COLOR : GREY

# Product Standardization: Grey Color.
